

Economics and the Consolidation of Peace in Burundi

Thursday, September 27th, 2012
9:30AM to 11:30AM

Johns Hopkins SAIS
Kenney Auditorium, Nitze Building
1740 Massachusetts Ave. NW
Washington, D.C. 20036

Forum Details:

Please join the Great Lakes Policy Forum for a discussion looking at historic and recent trends in Burundi. The 2011 World Development Report highlighted the interaction between Conflict, Security, and Economic Development. This discussion will devote a particular focus to the intersection of economic policy and management with the consolidation of peace.

Speakers:

Innocent Muhozi, Journalist; Director, Radio and Television Renaissance; President, Observatoire de la Presse au Burundi

Dave Peterson, Senior Director, Africa Program, NED

Albert Zeufack, Sector Manager, Poverty Reduction and Economic Management, Africa Region, World Bank

Moderator:

Andrea Bartoli

Dean, The School for Conflict Analysis and Resolution (S-CAR), George Mason University
